

# ULTIMATE OX KIT

## 50061K21

The Ultimate Ox Kit is a complete rigging system that puts numerous rigging options at the user's fingertips. With the use of a compound pulley system in the Ultimate Ox Kit, the user can create a 12:1 advantage on up to a 45' pole. The kit fits in a small, self-contained bag and can be stored in the back of a truck with ease.
