

BUCKVIZ™ DITTY BAGS

The BuckViz™ Drawstring Closure & Elastic Retainer ditty bags are easily attached to saddles or other gear. Great for storing loose hardware, gear, carabiners, short throw lines, gloves and any other smaller sized equipment/tools that you want to be easily accessible while climbing.

- Great for storing your gear and equipment you want easily accessible.
- Keeps sawdust out of your pouch.
- Drainage hole on the bottom allows for easy clean out and keeps water out.
- Prevents gear from easily falling out of pouch.
