(Not Included)

Lockable Big Mouth Bag **47333G9L3R5S**

The Buck Big Mouth line of equipment bags were designed with an extended extra wide mouth (15 1/2" x 22") to make it easier and faster for workers to store all their PPE, gear, tools, and other items in their bag with ease. No more struggling to get your essentials into your bag and no more fighting to get it closed. Lockable Big Mouth Bags feature two lock holes at left and right of bag closure to easily attach a pad lock or cable lock (not included). Pad lock shackle must have height greater than 1 1/4".
