Equipment Bag with Large Wheels 41333B3R5SW3

Buckingham's Equipment Bag with Large Wheels features large 6" diameter heavy duty rubber wheels and retractable handle for easy toting. Ideal for transporting equipment in rough terrain.

- New nylon side handle for picking bag up and for easy access for sliding bag out of truck.
- Constructed of a durable vinyl coated nylon.
- ¼" double tempered Masonite bottom for durability in all weather conditions.
- 2" molded rubber lip that prevents water from seeping into the bottom of the bag.
- Two large side pockets.
- Industrial weight nickel plated snaps on pockets.
- Heavy duty nylon web handles sewn around the bag for accessible carrying.
- 2 large 6" diameter wheels.
