## TIKKA®

Simple and compact, the TIKKA headlamp offers 250 lumen brightness and a flood beam for proximity lighting and some movement. It is useful for outdoor activities such as camping, hiking or when traveling. The phosphorescent reflector helps you find it in the dark, and the red lighting prevents members of a group from blinding each other. TIKKA comes with 3 standard batteries and is also compatible with the CORE rechargeable battery, due to the HYBRID CONCEPT design. Mounting accessories allow the lamp to be attached to any kind of helmet, or to a bicycle.

Uniform flood beam for comfortable close-range vision. White or red lighting for nighttime stealth.

Compact headlamp.

HYBRID CONCEPT design: TIKKA comes with three standard batteries and is also compatible with the CORE rechargeable battery.

---

**Short Description** Compact headlamp for proximity lighting and some movement. 250 lumens

---
