## Buckingham TrueFit™ Bucket Kit KIT124

A kit designed to ensure the safety of all climbers. You now have the unique value of Buckingham's new TrueFit™ Harness paired with two of popular fall protection devices.

### Features all your fall protection needs:

- **TrueFit™ Harness w/Standard Hardware (U68E7FQ1)**
  - This universal TrueFit™ harness is equipped with all original hardware and features quick connect buckles for easier donning, padded shoulder and leg pads, a pigtail (18" length) for attachment purposes and dual BuckStep™ for trauma suspension relief.
- **6' Mini BuckLimiter™ (6009-64DV)**
  - Buckingham's popular BuckLimiter™ has a new look and size! The 6' Mini BuckLimiter™ gives you all the convenience of the original BuckLimiter™ in a smaller, compact, and lightweight design.
- **4' BuckYard™ w/Snap (84V1D14S1)**
  - Locking snap hook on one end and a web loop on the other.
