DESIGNED AS A BACKPACK BUT LARGE ENOUGH FOR GEAR STORAGE

## The BuckPack™ Mini 4380

The BuckPack™ Mini, designed as a backpack, is a great rope bag option but is also large enough to use for everyday gear storage!

### Features:

- MOLLE webbing on the exterior of the bag for organization
- Water-resistant drawstring closure.
- Cool-Flow™ shoulder padding that is extremely comfortable.
- Backpack straps can be easily released via QC buckles that allow the user to stow the shoulder pads in the outside pocket for things like airport travel or just simply get them out of the way.
- 2 carry handles for use when backpack straps are packed away,
