

BUCK IMPROVED ECONOMY SADDLE

Improved Economy Saddle 1371

Our previous version saddle with comfort and functionality. It features five accessory loops for stowing gear while working aloft, piggyback snaps and a ring assembly to keep tools accessible, and four small D-rings are available for suspender attachments. Crafted from high-quality materials for durability and strength, this saddle ensures that essential tools are always within reach and offers enhanced comfort for extended use.

Features Include:

- Five accessory loops to stow gear while working aloft.
- Piggyback snaps and ring assembly keeps tools accessible.
- Four small d-rings for suspender attachments.
- Has a wide padded leather lined back that provides superior comfort and support from the 5 ½" wide back support that is constructed from rubberized belting material.
