

BUCKINGHAM SPLICERS KNIFE

Splicers Knife 7093

This lightweight cable splicer knife features a short, precision-ground blade and a heavy-duty rubber handle for a secure, ergonomic grip. It's designed for comfort and control, even in tight spaces or tough conditions.

The bright, high-visibility color makes it easy to spot if dropped from a bucket or tool bag or misplaced on the jobsite —helping you stay efficient and avoid lost tools.

Features:

- Heavy-duty rubber handle
- Compact, precision blade
- Bright, hi vis color
- Lightweight & balanced
