## Model 21391 Foot Straps

Two-piece impregnated nylon foot straps.

### BUCKLITE™ Titanium Climbers With GRiP Technology™ TBG94089A

Weighing in at only 17 ounces, Buckingham's BUCKLITE™ Titanium Climbers with Patented GRiP Technology™ bring the best of strength, lightweight functionality, and comfort together in a climber that cannot be found elsewhere on the market.

BUCKLITE™ Titanium Pole Climbers were already one of the most popular climbers out, now we have brought the fan-favorite & patented **GRiP (Gaff Ridge Position) Technology™** to these climbers!

- GRiP Technology™ keeps the gaff pointed toward the heart of the pole
- GRiP Technology™ aids in preventing cutouts, allowing for better, more comfortable setting of the foot and arch.
- GRiP Technology™ also allows optimum gaff placement on the pole and promotes ease of climbing.

#### FEATURES & BENEFITS:

- This is the only climber set in our product line that includes both GRiP Technology™ and a contoured shank.
- Unmatched comfort in a Titanium climber and lightest Titanium climber available.
- Dowel & Screw design allows for easy gaff change out.
- High Strength-to-Density ratio (Strong and lightweight).
- Corrosion resistant titanium makes these climbers one of the most durable in the market
- BUCKLITE™ Titanium Pole Climbers are rated to 350 lbs. and exceeds ASTM F887 standards.
