

MULTI-PURPOSE LIFTING HARNESS

CAN BE USED TO LIFT VIRTUALLY ANYTHING UNDER 800LBS.

Multi-Purpose Lifting Harness 423

This multi-purpose lifting harness has a working load limit of 800 lbs. and can be used to lift virtually anything under the sun as long as you attach the four webbing legs via interlocking buckles to the object you are lifting. This product was initially designed hand-in-hand with Comcast for lifting generators and moving them to different locations in the beds of trucks. Made in the USA.
